Sign up for dialup account

Date: _____

(Please print)

Name _____

Address _____

City _____ State _____ Zip _____

Home Phone _____ Work Phone _____

I wish to make my first payment by _____ Check _____ Credit Card _____ Cash _____

I understand that charges for subsequent months will be billed to my credit card each month for the basic service and any additional usage. I authorize this automatic billing by Saratoga Computer Shoppes, Inc. SPA.NET's billing cycle follows the calendar month, with the basic service fee for each month charged at the beginning of the month along with additional usage fees from the prior month. I understand that I may cancel my account effective the end of the billing cycle. I further understand that if I choose to cancel an annual plan prior to the anniversary date, the plan will be prorated at the rate of \$18.95 per month multiplied by the number of months dial-up service was provided to the client by Saratoga Online.

FORM WAIVER, RELEASE AND INDEMNITY

Dial Up Accounts

The undersigned dial up account holder, henceforth "Account Holder," hereby certifies that he/she is of majority or legal age and acknowledges that Saratoga Computer Shoppe, Inc. and SPA.NET, henceforth "Access Provider," does not make any warranties of any kind, whether express or implied, including but not limited to warranties of fitness for purpose or warranties of merchantability, nor in any way guarantees the quality, data content, artistic worth, or legality of the information, data programs, software, shareware, graphic images, animations and merchandise, etc. that are transferred, received, purchased, or otherwise obtained and made available by way of this Internet Access Account, whether the same be obtained through voluntary use or involuntary transfer.

The undersigned Account Holder further understands that the Internet contains access to pornographic and other material not suitable for minors, and that the Access Provider does not filter, censor, control, or regulate the flow of data, programs, software, shareware, graphic images, animations, and merchandise, etc. on the Internet to or from any of its customers or to or from any other access provider, on-line service provider, Internet user, or on-line service user and subsequently that minors using this Internet Access Account must be supervised by their parents at all times.

Further, on behalf of him/herself and his/her minor offspring and any user of this account, the Account Holder holds the Access Provider harmless for any damages resulting from their access account and hereby forever releases and waives his/her right, and that of their offspring, assigns and successors, to bring suit against the Access Provider for any injury allegedly arising from this Internet Account. Account Holder further agrees to indemnify and hold the Access Provider harmless for injury caused to or by the Account Holder incident to his/her account. This waiver, release and indemnity agreement specifically includes but is not limited to, the following Internet events that cannot be controlled by this Access Provider:

- a) "Flaming," "spamming," and libeling and/or slandering of account holder
- b) Copyright violations
- c) The receipt of unauthorized pornography, the unauthorized receipt of pornography, and the authorized receipt of pornography or other obscene materials.

The undersigned Account Holder additionally agrees that his/her Internet Access Account is not to be used for any unlawful purpose, or to transmit any material which violates any U.S. or state law or regulation. This includes, but is not limited to: copyrighted material; materially legally judged to be threatening or obscene; and material protected by trade secret.

Further, the Access Provider does not permit, and the Account Holder agrees not to use, any process, program, or tool that could be used for the purpose of guessing passwords, infiltrating private files or systems, stealing corporate secrets, hacking, or otherwise violating the rights of others and the laws of the United States.

The undersigned Account Holder agrees that any dispute arising out of the use of his/her access account shall be resolved by submission to binding arbitration, and that the parties shall follow the rules of said forum. In so agreeing if the parties expressly waive any right to a jury trial and further agree that the award of the neutral shall be binding upon them as if rendered by a judge or jury and shall be enforceable in any court having jurisdiction over the same.

So agreed to this, _____ day of _____, 2006

Spa.Net Setup Instructions For Windows 95/98

To Set Up Spa.Net:

(If your computer has been on the Internet before skip down to the next section.)

- Double Click My Computer
 - Double Click Dial up Network
 - Click on make New Connection
 - Click through Wizard, using the account information sheet to find your username and password and local access number

When you have completed these steps, follow the instructions below.

To Double-Check Settings in Dial-Up Networking:

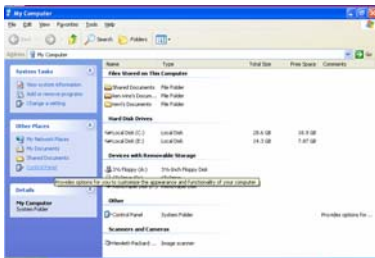

Click:

- My Computer
 - Dial-Up Networking
 - Right-click on the "Spa-Net" icon
 - Select "Properties"
 - Select "Server Types" tab or Button
 - Under "Advanced Options" **only** check off allow software compression.
 - Make sure **only** "TCP/IP" is checked in "Allowed Protocols"
 - Select TCP/IP settings
 - Make sure server assigned IP is selected.
 - Select specify primary DNS (Domain Name Server) and enter in the primary and secondary DNS numbers. (These numbers are on your account information sheet)
 - Make sure there is a check in each of the 2 boxes at the bottom of the page.
 - Click "OK" or "Apply"

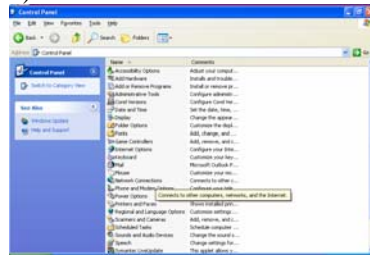

You should now be able to connect and log in to our servers. We recommend that you are using the latest version of Microsoft Internet Explorer or Netscape Navigator for both browsing the web and E-Mail.

Window XP Dial – Up Setup

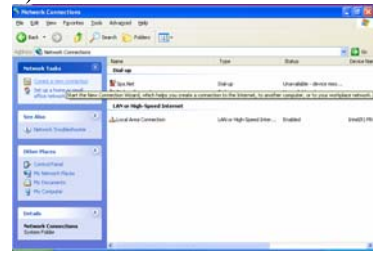

1) First go to My Computer. Then Control Panel.

2) Go To Network Connections

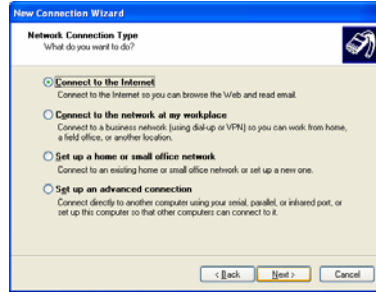

3) Then Create New Connection

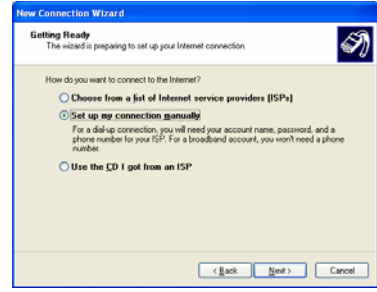

4) Follow Wizard

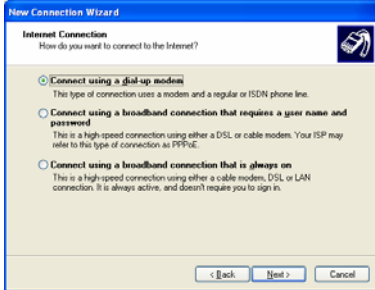

5) Continue with Wizard

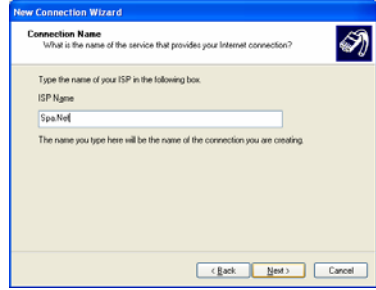

6) Continue with Wizard

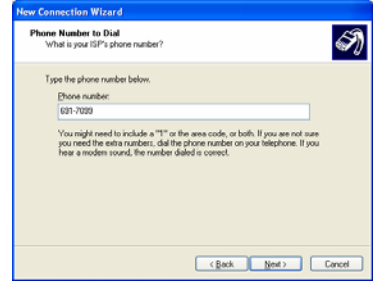

7) Continue with Wizard

8) Continue with Wizard
